Shelly,

Attached is the ND test report for the Ivan Johnson livestock scale that we tested here in Billings. Please let me know if you have any further questions on it.

Also, per our discussion on the phone, I will be dropping my North Dakota registration. The financial cost of maintaining my registration and certification of test equipment to meet ND requirements simply outweighs the revenue I am generating by doing business in ND.

Thank you for all your assistance over the last several years.

Sincerely,

John
