To whom it may concern;

On or about 1522 hours on the 6th of October 2017, an operator of an excavator for Wagner Construction struck a three-quarter inch natural gas service line interrupting service to one residential natural gas customer. When the Montana-Dakota Utilities Co. employee responded to the scene, the service line was bent back, and Wagner construction was continued to work on their project. Wagner Construction was operating under locate ticket 17123478.

Montana-Dakota Utilities Co. properly made the scene safe, repaired the line and restored service to the customer in a matter of hours.

If you have any questions, feel free to contact me.

Sincerely
