Good Morning Bob

Please complete and submit the Application for Registration as a Registered Service Company. The link is included in this email.

Your request for a temporary variance permit used the company name CHS Inc. Pipeline Terminal. Your permit is currently issued to Cenex Pipeline, LLC.

Please complete the application using the company name that is used for the Minot terminal. Also, the company name you use must be registered with the North Dakota Secretary of Sate to do business in North Dakota.

If the company name used on this application is different from the company name used on the variance permit request, please email me a revision to the variance permit application.

Thank you!
