RE: Case No. PU-17-483  
ONEOK Rockies Midstream, L.L.C.  
Cherry Creek Pipeline Project – McKenzie County  
Siting Application

In order to deliver notification of ONEOK's siting application, please provide the Commission with contact information for the townships with retained zoning authority, cities, and counties in which any part of the proposed corridor is located.

To complete its initial review of ONEOK's siting application, Public Service Commission Staff requests the following:

1. GIS layers for pipeline route, proposed corridor, survey area(s) as well as all exclusion, avoidance, and other criteria/elements shown on Application - Exhibit B maps.
2. Updated corporate papers.
3. Unanticipated Discovery Plan
4. Spill history for ONEOK facilities
5. Emergency Procedures Plan
6. Spill Response Plan
7. Erosion Control Plan
8. Storm Water Pollution Prevention Plan
9. A table listing all Permits required for the Project and listing the status of each Permit.
10. Given the plan to obtain a Route Permit by February 1, 2018, will the project require excavation of topsoil when the ground is frozen? If so, provide a winter construction mitigation plan.
11. The construction cost of the existing pipeline.

If you have any questions, please contact me at (701) 328-4077.

Best regards,

Patrick Fahn  
Director, Public Utilities Division
