ND SHPO Ref: 18-0204 ND Public Service Commission (PSC) "Mergent ONEOK Pipeline Conversion: A Class III Cultural Resource Inventory in McKenzie and Williams Counties, North Dakota"

Dear Mr. Windstrup,

We reviewed ND SHPO Ref: 18-0204 ND Public Service Commission (PSC) "Mergent ONEOK Pipeline Conversion: A Class III Cultural Resource Inventory in McKenzie and Williams Counties, North Dakota," and find the report acceptable. There has been a good faith effort to identify and avoid impacts to "Significant Sites," provided the project remains as described and mapped in this Medcalf Archaeology Consultants (Amie Kaiser and Dierdre Bostyan) report dated October 2017, and received in this office December 7, 2017.

Thank you for the opportunity to review this project. If you have questions please contact or Susan Quinnell at squinnell@nd.gov or (701) 328-3576.

Sincerely,

Claudia J. Berg
Director, State Historical Society of North Dakota
