NOTICE OF RECEIPT OF RENEWAL AND REVISION APPLICATIONS

February 14, 2018

American Colloid Company has filed applications to renew and revise Surface Coal Mining Permit ACPG-9701 covering lands located in:

Portions of Sections 2, 3, and 12, T130N, R99W; Portions of Section 35, T131N, R99W, all in Bowman County, totaling 656.72 acres.

The five-year permit renewal will allow the American Colloid Company to continue mining and reclamation operations in Permit No. ACPG-9701 until April 22, 2023. Revision No. 10 identifies areas that will be mined during the next five-year permit term and updates other mining and reclamation plans in the permit.

The renewal and revision application and surface coal mining and reclamation permit may be inspected at:

Public Service Commission
State Capitol
Bismarck, North Dakota 58505-0480

Bowman County Auditor
County Courthouse
Bowman, North Dakota 58623

You may submit written comments or objections on the proposed permit renewal and revision applications and its effects on the environment and on surface owners of the land in the permit area. You may request an informal conference with the Commission and the applicant on the renewal and revision applications. The reasons for requesting an informal conference must be stated in the request. Written comments, objections, or requests for informal conference must be made by April 6, 2018.

If there is an informal conference, you may request a formal administrative hearing on the Commission ruling on the application. Your request for a formal hearing must be made within thirty days of the Commission ruling on the application.
