RE: Response to NSP's TCJA Refund Plan Compliance Filing
Case No. PU-18-155 & PU-17-490

On December 21, 2018 the Commission issued an Order requiring NSP to file a refund plan within 30 days detailing the specific plan to refund the amount of \$9,763,400 in the above captioned cases.

On January 17, 2019 Northern States Power Company (NSP) filed its Refund Plan Compliance Filing. The filing details the refunding of \$9,763,400 as ordered by the Commission.

Staff has reviewed the filing to ensure that it is consistent with the December 21, 2018 Order. This results in a refund of \$46.13 for the average residential customer. Staff believes that NSP's filing complies with the Commission's Order. NSP will also file a refund compliance report within 30 days of completing the refund.
