Keene Oil Gathering System Conversion Project
McKenzie County
Case No. PU-18-024
Our File No. 011024-001751

Dear Pat:

I am in receipt of your January 22, 2018, letter regarding the above-referenced application. Grail Township and Hawkeye Township in McKenzie County are the only townships traversed by the proposed corridor. Only Hawkeye Township has retained zoning authority. For your reference, I have attached a table listing the townships, including the contact information for the director of McKenzie County Planning and Zoning and the chairman of Hawkeye Township. In accordance with N.D. Admin. Code 69-06-05-01(4), Hess has served a copy of the application on the auditor of McKenzie County in conjunction with the filing of the application. The corridor is not located within any city boundaries.

Please feel free to contact the undersigned should you have any questions. Thank you.

Sincerely,

Wade C. Mann
