PUBLIC SERVICE COMMISSION

**Hess North Dakota Pipelines LLC
Keene Oil Gathering System Conversion – McKenzie
Siting Application**

Case No. PU-18-24

NOTICE OF FILING AND PUBLIC HEARING

February 14, 2018

A public hearing on the application for Case No. PU-18-24 is scheduled for **April 10, 2018, at 9:00 a.m. Central Time, at Teddy's Residential Suites, 113 9th Ave SW, Watford City, North Dakota 58854.**

Hess North Dakota Pipelines LLC (Hess) has filed a consolidated application for a certificate of site compatibility and a route permit concerning the location of approximately 19 miles of 10-inch and 16-inch pipeline existing in McKenzie County, North Dakota, as shown on the attached map. Hess is proposing to convert the existing pipeline from a crude oil gathering pipeline to a transmission pipeline capable of transporting 160,000 barrels per day of crude oil.

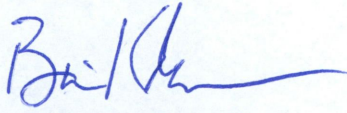

The issues in the consolidated application for a certificate of corridor compatibility and a route permit are:

1. Will the location and operation of the proposed facility produce minimal adverse effects on the environment and upon the welfare of the citizens of North Dakota?
2. Is the proposed facility compatible with the environmental preservation and the efficient use of resources?
3. Will the proposed facility location minimize adverse human and environmental impact while ensuring continuing system reliability and integrity and ensuring that energy needs are met and fulfilled in an orderly and timely fashion?

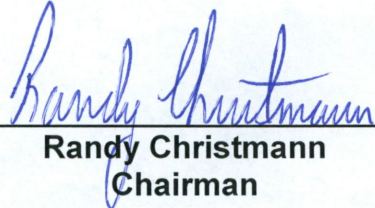

For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400; or Relay North Dakota, 1-800-366-6888
