RE: Section 07 -- T152N- R95W

Dear Ms. Boyko:

Hess North Dakota Pipelines LLC and Hess North Dakota Export Logistics LLC, referred to jointly as Hess, are planning the Keene Oil Gathering System Conversion Project. The Project will result in the conversion of 19 miles of existing gathering pipeline and its associated facilities to a transmission system, as well as the installation of booster pumps within five hundred (500) feet of an inhabited residence located on your property, described below:

Section 07 Township 152N Range 95W

(the "Property").

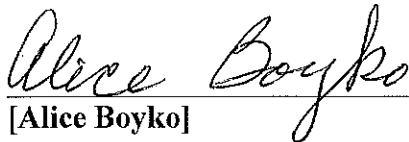

By signing this letter where indicated below, you, as owner of the inhabited residence on the Property, acknowledge that you do not object to the placement, or the future operation and maintenance, of the Facilities within five hundred (500) feet of said inhabited residence.

Your cooperation in this matter is greatly appreciated.

Sincerely,

Meghan Bratvold
