Per requirements set forth in Certification Relating to Order Provisions Transmission Facility Siting Gathering Line Conversion to Transmission Line for Case No. PU-18-024

#9, Hess is notifying the North Dakota Public Service Commission and the Commission's third-party construction inspector that Hess anticipates to start operating the Keene Oil Gathering Line as a transmission line as of 9.25.19.

I will second a confirmation email of the start date no later than 72 hours prior to the actual start date.

Please advise if any additional information is needed.
