RE: Andeavor NGL Pipeline Project, PU-18-72

This letter is to inform the North Dakota Public Service Commission of a personnel change within Wenck Associates as it relates to the Andeavor Field Services, LLC. Natural Gas Liquids Pipeline project, Case Number PU-18-72. Sara Simmers has resigned from Wenck and is no longer with the firm. Ms. Simmers is identified as the responsible Project Manager for construction inspections on commission contract# PU-804-18-EE for this project. At the discretion of the Public Service Commission, Wenck wishes to transfer the Project Manager duties previously served by Ms. Simmers to Matt Retka. Mr. Retka has experience with the requirements of this project contract, and currently serves as the Project Manager for five (5) other Public Service Commission construction inspection contracts.

Wenck remains committed to fulfilling its contract obligation for this project and maintains a number of qualified individuals within the state of North Dakota to continue in this capacity.

Please direct any future notices or other communications to:

Matt Retka
Wenck Associates, Inc.
3303 Fiechtner Drive, Suite 100
Fargo, ND 58103

We hope to continue to serve the Public Service Commission and the State of North Dakota by providing the remaining construction inspection services for this project, and any other requests in the future. Please let me know if you have any questions or need anything else in regard to this notification request.

Sincerely,

Matt Retka
Project Manager, Associate
