**HAND DELIVERED**

Mr. Steve Kahl  
Executive Secretary/Director of Administration  
North Dakota Public Service Commission  
600 E Blvd Ave Dept 408  
Bismarck, ND 58505-0480

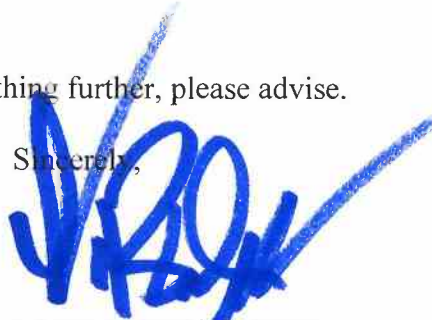

**RE: Andeavor Field Services LLC  
Case No. PU-18-072  
8" and 6" NGL Pipelines  
Billings, McKenzie, and Stark  
Counties, North Dakota**

Dear Mr. Kahl:

On August 9, 2021, the North Dakota Public Service Commission ("Commission") requested that Andeavor Field Services LLC ("Andeavor") confirm that the paper and electronic maps, and the GIS data on file with the Commission depict the designated corridor and pipeline route (as built) for the above-referenced project ("Project"). In order to avoid any confusion with respect to which maps and/or data may be accurate, Andeavor submits the enclosed compact disc which contains paper maps and GIS data for the Project. Andeavor has reviewed the enclosed paper maps and GIS data and verifies the same to be accurate depictions of the designated corridor and as-built pipeline route for the Project.

Should the Commission require anything further, please advise.

Sincerely,

LAWRENCE BENDER
