Hi Shelley:

Thank you for speaking with us this morning. In response to your inquiry regarding Smart Sand, Inc.'s qualification to do business in North Dakota, we realized we had made an error in applying for the permit as Smart Sand, Inc. The entity we formed as a wholly owned subsidiary of Smart Sand, Inc. is **SSI Bakken I, LLC** and we applied for a qualification for that entity to do business in North Dakota on February 6, 2018. We were advised that the qualification typically takes apx. 10-14 business days to be approved. I will send you the qualification upon receipt. We would appreciate you amending the application to show **SSI Bakken I, LLC** as the applicant. Thanks again.

Regards,

James
