Application for Relinquishment of ETC Designation and Discontinuance of Wireless Service

North Dakota Network Co.

David J. Hogue, Pringle & Herigstad, P.C

**BEFORE THE NORTH DAKOTA
PUBLIC SERVICE COMMISSION**

In the Matter of

Application of North Dakota Network Co. dba
SRT Wireless for Relinquishment of Eligible
Telecommunications Carrier Designation

Case No. _____

**APPLICATION OF NORTH DAKOTA NETWORK CO. DBA SRT WIRELESS FOR
RELINQUISHMENT OF ELIGIBLE TELECOMMUNICATIONS CARRIER
DESIGNATION AND DISCONTINUANCE OF WIRELESS SERVICE**

Pursuant to 47 USC § 214(e)(4) and 47 CFR. § 54.205(a), North Dakota Network Co. dba SRT Wireless (“NDNC”) submits this Application to the North Dakota Public Service Commission (“Commission”) requesting relinquishment of its designation as an Eligible Telecommunications Carrier (“ETC”) effective on March 31, 2018 or an earlier date determined by the Commission. As explained herein, this Application should be expeditiously granted because NDNC is no longer providing wireless services as of February 28, 2018, and federal law supports the grant of NDNC’s Application.

In support of this Application, NDNC states as follows:

1. NDNC is a North Dakota corporation based in Minot, North Dakota, and is a seller of wireless services.
2. On July 31, 2003, in Case No. PU-2048-03-235, the Commission issued its initial order designating NDNC as a Designated Eligible Telecommunications Carrier to provide universal services using a combination of its own wireless personal communications service facilities and resale of other carriers’ services for purposes of qualifying for federal universal service fund support. By that order, NDNC was designated as an eligible telecommunications carrier in the study area of SRT Communications, Inc. On March 22, 2006, in case PU-05-653,

the Commission issued a second order, expanding NDNC's ETC study area to the area in which NDNC is licensed by the FCC to provide commercial mobile radio services, Basic Trading Area 299 ("BTA 299" or the "Minot BTA"). Since that order and through February 28, 2018, NDNC has provided universal services throughout the Minot BTA using its own facilities and the resale of others' facilities.

3. Based on market conditions and business considerations, NDNC has made the business decision to relinquish its ETC designation in all areas where it is so designated in North Dakota.

4. The majority of NDNC subscribers ported their number to other wireless carriers through the Local Number Portability process. As of the February 2018 reporting period, NDNC did not have any Lifeline customers.

5. Lifeline-eligible subscribers in the area served by NDNC have many other service provider options available to them. In particular, North Dakota is also served by other ETCs that provide wireless LifeLine service, including AT&T Mobility LLC, North Dakota RSA 3, North Dakota 1 -Northwest Dakota LP, Sagebrush Cellular, and Verizon Wireless. See Exhibit 1, portion of the USAC report of disbursements for February 2018.

6. Because there is more than one ETC in each area where NDNC is designated as an ETC in North Dakota, federal law provides that the Commission should permit NDNC to relinquish its Lifeline-only ETC designation under 47 U.S.C. § 214(e)(4), which states in pertinent part:

A State commission ... shall permit an eligible telecommunications carrier to relinquish its designation as such a carrier in any area served by more than one eligible telecommunications carrier. An eligible telecommunications carrier that seeks to relinquish its eligible telecommunications carrier designation for an area served by more than one eligible

telecommunications carrier shall give advance notice to the State commission ... of such relinquishment. Prior to permitting a telecommunications carrier designated as an eligible telecommunications carrier to cease providing universal service in an area served by more than one eligible telecommunications carrier, the State commission ... shall require the remaining eligible telecommunications carrier or carriers to ensure that all customers served by the relinquishing carrier will continue to be served, and shall require sufficient notice to permit the purchase or construction of adequate facilities by any remaining eligible telecommunications carrier.

Id. (emphasis added).

7. The rules of the Federal Communications Commission (“FCC”) also support the approval of NDNC’s Application. Specifically, 47 C.F.R. § 54.205(a)-(b) requires that a “**state commission shall permit**” an ETC to “relinquish its designation as such in any area served by more than one [ETC],” and similarly requires the state commission to ensure that all customers served by the relinquishing carrier will continue to be served. 47 C.F.R. § 54.205(a)-(b) (emphasis added). Other provisions of 47 C.F.R. § 54.205(b) concerning facilities-based providers are inapplicable because NDNC is a reseller and mobile virtual network operator, and has no facilities in North Dakota.

8. Because NDNC has no Lifeline subscribers as of February 28, 2018, this Application presents no issues regarding the transition of NDNC’s subscribers to a new service provider. That transition process continues and is near completion. To avoid inconveniencing new subscribers who would otherwise need to transition to another carrier soon after enrolling, NDNC plans to refer any new Lifeline applicants to other ETCs.

9. Because NDNC had a very small number of remaining subscribers in North Dakota, NDNC’s relinquishment of its ETC designation presents no risk of harm to the public interest.

10. NDNC's address and telephone number are set forth below:

North Dakota Network Co.
3615 N. Broadway
Minot, ND 58703
(701) 858-1200

11. NDNC's counsel in this matter is set forth below:

David Hogue
Pringle & Herigstad, P.C.
2525 Elk Drive
PO Box 1000
Minot, ND 58702
(701) 852-0381
dhogue@pringlend.com

12. This Application is supported by the Affidavit of Steve Lysne, attached hereto as Exhibit 2.

CONCLUSION

Based on the foregoing, NDNC respectfully requests that the Commission grant this Application and NDNC's relinquishment of its ETC designation.

Dated: 3-12-2018

Respectfully submitted,

**North Dakota Network Co.
dba SRT Wireless**

Dakota 1 - Northwest Dakota LP, Sagebrush Cellular, and Verizon Wireless. See Exhibit 1, portion of the USAC report of disbursements for February 2018 for North Dakota.

5. Because NDNC has no Lifeline subscribers as of February 28, 2018, I conclude NDNC's Application presents no issues regarding the transition of NDNC's subscribers to a new service provider. That transition process continues and is near completion. NDNC is not providing any wireless services to subscribers and plans to refer any new Lifeline applicants to other ETCs.
