RE: Request for Temporary Authority – Discontinue Business
North Central Farmers Elevator

On February 23, 2018, the Commission received a Request to Discontinue Business Facility-Based from North Central Farmers Elevator for its licensed grain warehouse at Hague, North Dakota.

North Central Farmers Elevator merged with South Dakota Wheat Growers on February 1, 2018 and subsequently changed their name to Agtegra Cooperative.

Agtegra Cooperative applied for a Facility-Based Grain Buyer License for the Hague facility and will be assuming the grain inventory, outstanding warehouse receipts, and open contracts.

Statutory requirements have been met as of March 19, 2018 for North Central Farmers Elevator's Request to Discontinue Business and Agtegra Cooperative's license application and Assumption of Liabilities for the facility located at Hague, North Dakota.

Staff recommends the Request to Discontinue Business be approved effective March 19, 2018 and that this action be noticed on the Commission's agenda.

Please sign and date this request which is temporarily approved until the Commission issues an Order on the matter at a subsequent Commission Meeting.
