Mr. Jeffrey Fleischman, Chief
Denver Field Division
Office of Surface Mining
PO Box 11018
150 East B Street
Casper, WY 82602-5004

Dear Mr. Fleischman:

On June 21, 2108 we sent you a letter and DVD containing Revision No. 38 to Surface Coal Mining Permit NAFK-8705. The revision application contains updated reclamation plans, a detailed plan for a mining pit cessation and a contingency reclamation plan for the former special waste landfill (ash disposal pit) and surrounding lands in portions of Sections 23 and 26, T146N, R83W, McLean County, North Dakota.

However, we have since determined that the DVD case we sent you did not contain a DVD. Enclosed is the DVD for Revision No. 38 we had intended to send to you that was deemed complete on June 12, 2018. Please accept our apologies.

If you have any questions, please contact this office.

Sincerely,

Dean K. Moos
Director
Reclamation Division
