Northern States Power Company
Fuel Clause Adjustment Waiver
Approval

Case No. PU-18-118

NOTICE OF OPPORTUNITY FOR HEARING

April 25, 2018

On April 11, 2018, Northern States Power Company (NSP) requested approval to issue to customers, through a one-time credit to the fuel clause adjustment, \$128,000 of an overall North Dakota jurisdictional gain of \$218,000 from an asset sale between NSP and Flint Hills Resources Pine Bend, LLC. NSP proposes to retain the remaining \$90,000 to offset the foregone returns on the sold assets.

The issues to be considered in this matter are:

1. Whether the proposed credit is just and reasonable.
2. Whether it is appropriate to grant a waiver of the Commission's rules under North Dakota Administrative Code section 69-09-02-39, Automatic Adjustment Clauses, for the stated purpose.

Those interested are invited to comment on the application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. **Comments and requests for hearings must be received by June 8, 2018.** If deemed appropriate, the Commission can determine the matter without a hearing.
