ORDER ON CONSENT AGREEMENT

June 13, 2018

Preliminary Statement

On April 16, 2018, the Commission received a ND One-Call Complaint from Emily Bridge, North Dakota Pipeline Company LLC (Complainant) alleging a violation by Gateway Building Systems, Inc. (Gateway) of North Dakota Century Code chapter 49-23: One-Call Excavation Notice System.

On April 17, 2018, the Commission sent a letter to Gateway enclosing the ND One-Call Complaint.

On May 29, 2018, the Public Service Commission Advocacy Staff (Advocacy Staff) and Gateway filed a Consent Agreement for the resolution of the complaint.

Discussion

Gateway Building Systems, Inc. is a North Dakota business corporation authorized to do business in North Dakota with offices located at 2138 Main Ave W, West Fargo, ND 58078.

Complainant alleges violations by Gateway of North Dakota Century Code section 49-23-04(1) for failure to contact the notification center and provide an excavation or location notice before beginning an excavation. The Complaint did not identify damage to an underground facility.

North Dakota Century Code section 49-23-04(1) provides that "Except in an emergency, an excavator shall contact the notification center and provide an excavation or location notice before beginning any excavation. An excavation begins the first time excavation occurs in an area that was not previously identified by the excavator in an excavation notice."

As a result of its investigation, Advocacy Staff concluded that Gateway violated North Dakota Century Code section 49-23-04(1).

Gateway and Advocacy Staff engaged in good faith settlement discussions resulting in a Consent Agreement intended to avoid further administrative proceedings or litigation.

Under the Consent Agreement, Gateway agrees to be assessed a civil penalty of \$500, payable to the North Dakota Public Service Commission, within ten business days of service of this Order Adopting Consent Agreement (Order).

Having considered this matter, the Commission finds the Consent Agreement filed on May 29, 2018, is reasonable and acceptable. Therefore, the Commission issues the following:

Order

The Commission Orders:

1. Gateway violated North Dakota Century Code section 49-23-04(1).
2. The Consent Agreement filed by Gateway and Advocacy Staff on May 29, 2018, is approved. A copy of the Consent Agreement is attached to and made a part of this Order.
3. Gateway is assessed a civil a penalty of \$500.
4. Gateway shall remit \$500 civil penalty, payable to the North Dakota Public Service Commission within ten business days of service of this Order.

On April 16, 2018, the Commission received a ND One-Call Complaint from North Dakota Pipeline Company LLC under Case No. PU-18-124.
