Subject: Great Plains Natural Gas Co. – Annual Reports

Case Nos. PU-17-148 PU-18-125

I recommend the Commission close case numbers PU-17-148 and PU-18-125, which are Great Plains Natural Gas Company's North Dakota annual report filings for 2016 and 2017. I will include a motion to close the cases on the February 26, 2019 consent agenda.

The Commission's order on January 9, 2019, approved a settlement which established rates based on a 7.078% rate of return and a 9.4% return on equity for 2018 test year. Staff will take a close look at the 2018 annual report when it arrives. Therefore, staff recommends that the Commission close case numbers PU-17-148 for the year 2016 and PU-18-125 for the year 2017.
