Siting Exclusion Certification

Case No. PU-18-186

NOTICE OF OPPORTUNITY FOR HEARING

July 9, 2018

On May 31, 2007, in Case No. PU-07-26, the Commission issued Certificate of Site Compatibility No. 6 to Langdon Wind, LLC (Langdon Wind) authorizing construction of a 159 MW Langdon Wind Energy Center (LWEC) in Cavalier County, North Dakota.

On May 7, 2008, in Case No. PU-07-722, the Commission issued First Amended Certificate of Site Compatibility No. 6 to Langdon Wind authorizing expansion of the LWEC to include an additional 40.5 MW.

On July 16, 2008, in Case No. PU-08-159, the Commission issued Second Amended Certificate of Site Compatibility No. 6 to Langdon Wind and Certificate of Site Compatibility No. 8 to Otter Tail Power Company (Otter Tail) authorizing the transfer of ownership of a 40.5 MW portion of the LWEC from Langdon Wind to Otter Tail.

On May 25, 2018, in Case No. PU-18-186, Langdon Wind filed a certification to improve the LWEC by extending the life of Langdon Wind's older turbines. Langdon Wind plans to install new gearboxes and larger rotors that will increase the generating capacity of Langdon Wind's LWEC from 159 MW to 171.72 MW.

The issue to be determined is whether to amend the Commission's May 31, 2007 Order to recognize the additional generating capacity.

Those interested are invited to comment on this application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. Comments and requests for hearing must be received by **August 20, 2018**. If deemed appropriate, the Commission can determine the matter without a hearing.

For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400; or Relay North Dakota 1-800-366-6888 TTY. If you require any auxiliary aids or services, such as readers, signers, or Braille materials please notify Illona Jeffcoat-Sacco, Executive Secretary.
