**RE: Harmony Solar ND, LLC's Application for a Certificate of Site Compatibility for the Harmony Solar Project in Cass County, North Dakota  
Case No. PU-18-219/OAH File No. 20180389**

Dear Judge Dawson:

At the public hearing held on November 1, 2018 on Harmony Solar ND, LLC's ("Harmony Solar") Application for a Certificate of Site Compatibility for the Harmony Solar Project, a deadline of November 26, 2018 was set for Harmony Solar to file its late-filed exhibits, post-hearing brief, and proposed Findings of Fact, Conclusions of Law and Order. Since the public hearing, North Dakota Public Service Commission ("Commission") staff has undertaken the task of converting multiple Commission rulemaking dockets from microfiche to PDF versions so that the dockets can be reviewed for information relevant to the Commission's prime farmland exclusion area rule. At this point, that task is still underway, and may need to continue into next week. Since the information in the prior rulemaking dockets may be pertinent to Harmony Solar's post-hearing filings, Harmony Solar respectfully requests an extension of the post-hearing filing deadline to the end of day on December 3, 2018. I have spoken with Mr. John Schuh, and he indicated he does not have an objection to the extension. Given the upcoming holiday, if you could please provide an initial response via e-mail, it would be much appreciated.

If you have any questions, please let me know.

Sincerely,

MMS/ms/65295174

MOLLIE M. SMITH
