Harmony Solar Project – Cass County
Siting Application

Case No. PU-18-219

CERTIFICATION OF CONTINUING SUITABILITY

STATE OF ILLINOIS)
) ss.
COUNTY OF KENDALL)

Amber Miller, being first duly sworn upon oath, states and alleges as follows:

1. I am a Permitting Director at National Grid Renewables, LLC, the parent company of Harmony Solar ND, LLC (“Harmony”). In my role as Permitting Director, I am responsible for Project development, including permitting and environmental compliance.

2. I provide this Certification of Continuing Suitability (“Certification”) on behalf of Harmony pursuant to NDCC § 49-22-17 and NDAC § 69-06-09-01, and I have the authority to bind Harmony with respect to the certifications made herein.

3. On February 26, 2019, the North Dakota Public Service Commission (the “Commission”) issued Findings of Fact, Conclusions of Law and Order (“Order”) granting to Harmony Certificate of Site Compatibility No. 58 designating a site (“Designated Site”) for the Project.

4. Harmony certifies that the Designated Site continues to meet the conditions upon which Certificate of Site Compatibility No. 58 was issued.

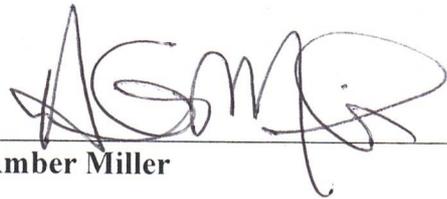

5. Attached as **Exhibit 1** is an Environmental Report prepared in support of, and relied upon in making, this Certification. The information in the Environmental Report is incorporated into this Certification as though set forth herein in its entirety.

6. Attached as **Exhibit 2** is a Certificate of Site Compatibility Chart, which confirms prior, or provides updated, information with respect to each of the Order provisions. The information in the Certificate of Site Compatibility Chart is incorporated into this Certification as though set forth herein in its entirety.

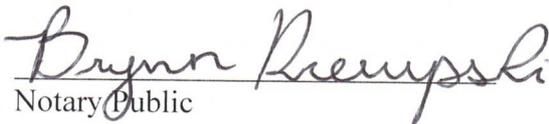

7. Harmony will comply with all requirements of the Commission's Order, including the Certification Relating to Order Provisions – Energy Conversion Facility Siting, and accompanying Tree and Shrub Mitigation Specifications.

8. Harmony respectfully requests that the Commission issue an order authorizing Harmony to begin construction of the Project as early as the second quarter of 2025, and no later than the second quarter of 2027.

FURTHER AFFIANT SAYETH NOT.

Amber Miller
