Re: Transcript Request

Dear Ms. Hulm,

Thank you for providing the estimate information for transcribing the three electronic recordings in this case.

Please transcribe the three audio files identified in our e-mail correspondence requesting an estimate and your responses. In your 3 January 2019 e-mail, you provided an estimate of approximately \$690 for a transcript of each of the three recordings.

We will be sending you the three audio files via our high-capacity email server as soon as possible. We have an order from district court providing until 31 January 2019 for filing the certified record, so we will need the transcripts in time to meet that deadline.

Thank you for all your help, and for your attention to this request.

Best regards,

Illona A. Jeffcoat-Sacco
