Dear Commissioner Fedorchak,

I just wanted to send you a note thanking you, and the other Commissioners and PSC Staff, for taking the time on Tuesday to meet with me and the other members of the Meridian family. We are very grateful for the opportunity to discuss the Davis Refinery project, and our immediate plans.

Although we disagree on the efficacy of an early siting process for the initial phases of Davis, it is obvious to me that you have the best interests of the State of North Dakota at heart, and the citizens of this state are very fortunate to have you on the Commission.

I would like to keep the dialogue open, and hope that you are amenable to meeting again in the near future to continue the discussions.

Thank you again for your interest and consideration.

Sincerely,

Bill
