

RESOLUTION

BE IT RESOLVED by the Logan County Commission, which is the governing body of the County of Logan, North Dakota;

WHEREAS, the Board of Logan County Commissioners, upon reviewing the request of landowners within and around the Emmons-Logan Wind Project, have by resolution agreed to allow Emmons-Logan Wind, LLC, and their agents to improve certain section line roads, as described within;

WHEREAS, the Logan County Commission has provided approval for the improvement of the following section lines:

1. 24th Avenue SE, beginning at 72nd Street SE, and heading north one mile between the NE¼ of Section 36 (west side) and the NW¼ of Section 31 (east side), Township 134N, Range 73W.

WHEREAS, the Board of Logan County Commissioners placed the following restrictions upon the improvement:

Emmons-Logan Wind, LLC, will pay for any and all costs associated with the project, and perform the project at their own risk. Logan County will not assume any liability for the improvements.

Dated this 14th day of November, 2018, in Napoleon, North Dakota.

APPROVED:

Dean Entzminger, Chairman
Logan County Commission
