Dear Ms. McCarthy,

We reviewed ND SHPO Ref: 18-0844 ND Public Service Commission "An Addendum to the Class III Invasive Cultural Resource Survey for the Emmons-Logan Wind Energy Center in Emmons and Logan Counties, North Dakota," and find it acceptable. We concur with a "No Significant Sites Affected" determination for project, provided site 32EM1180 is avoided by the project, and provided the project remains as mapped and described in the revised AECOM report.

Thank you for the opportunity to review this project. Please include the ND SHPO reference number listed above in any further correspondence for this specific project. If you have any questions, please contact Susan Quinnell at (701) 328-3576 or squinnell@nd.gov.

Sincerely,

Claudia J. Berg
