Our File No. 035218-000046**

Dear Mr. Fahn:

I am writing on behalf of my clients Emmons-Logan Wind, LLC and Emmons-Logan Wind Interconnection, LLC (collectively the "Emmons-Logan Wind Entities") in response to the February 22, 2022, Notices of Noncompliance filed in Case No. PU-18-280 as Docket No. 189 and Case No. PU-18-281 as Docket No. 120 (collectively the "Notices"). The Notices allege that the Emmons-Logan Wind Entities have not filed as-built project GIS in compliance with the order provisions in the respective above-referenced cases.

The Emmons-Logan Wind Entities have complied with the Commission's orders and previously filed as-built KMZ shapefiles with the Commission on March 26, 2020, as evidenced by the attached filings. On March 26, 2020, KMZ files were filed with the Commission via electronic correspondence and mailed to the Commission on a USB drive as referenced in the attachments. As it appears Staff no longer has copies of the as-built filings, enclosed is a USB drive with a copy of the KMZ files that were previously provided to the Commission on March 26, 2020 for the Emmons-Logan Wind Energy Center and the Emmons-Logan Wind 230 kV Transmission Line.
