RE: Aaron Weisenburger Complaint against Garrison Rural Water District
Case Number: PU-18-310

Dear Mr. Schock:

I am writing to follow-up the October 3, 2018, response of the Garrison Rural Water District to the North Dakota One-Call Complaint filed by Aaron Weisenburger.

As was mentioned in the October 3, 2018, response, the Garrison Rural Water District planned to re-route the rural water line away from Mr. Weisenburger's lot and abandon the line under his lot. The re-route and abandonment of the water line was completed on November 7, 2018. Garrison Rural Water District requests that this additional information be included with their October 3, 2018, response. Your consideration of this additional information is appreciated.

Please let me know if you have any questions or require additional information.

Very truly yours,

A handwritten signature in black ink, appearing to read "David A. Lindell".
