Case No. PU-18-336

NOTICE OF OPPORTUNITY FOR HEARING

October 10, 2018

On May 31, 2007, in Case No. PU-07-26, the Commission issued Certificate of Site Compatibility Number. 6 to Langdon Wind, LLC (Langdon Wind) authorizing construction of a 159 MW Langdon Wind Energy Center (LWEC) in Cavalier County, North Dakota.

On May 7, 2008, in Case No. PU-07-722, the Commission issued First Amended Certificate of Site Compatibility No. 6 to Langdon Wind authorizing expansion of the LWEC to include an additional 40.5 MW.

On July 16, 2008, in Case No. PU-08-159, the Commission issued Second Amended Certificate of Site Compatibility No. 6 to Langdon Wind and Certificate of Site Compatibility No. 8 to Otter Tail Power Company (Otter Tail) authorizing the transfer of ownership of a 40.5 MW portion of the LWEC from Langdon Wind to Otter Tail.

On September 5, 2018, the Commission issued Third Amended Certificate of Site Compatibility No. 6 to Langdon Wind, removing the 159 MW limitation.

On September 11, 2018, Langdon Wind, LLC and Langdon Renewables, LLC filed a joint application to transfer Third Amended Certificate No. 6 from Langdon Wind to Langdon Renewables, LLC.

On September 26, 2018, the Commission issued a Notice of Opportunity for Hearing, setting October 22, 2018 as the deadline for filing comments and requests for hearing regarding the application. Due to publication requirements, the September 26, 2018 notice could not be published in the required newspaper in sufficient time to meet the October 22, 2018, filing deadline. Consequently, the Commission issues this second notice.

The issues to be considered are whether Langdon Renewables, LLC agrees and is able to comply with the terms and conditions of the certificate and whether the requested transfer is compatible with the public interest.

Those interested are invited to comment in writing on the application. Persons desiring a hearing must file a written request identifying their interest in the proceeding and reasons for requesting a hearing. **Comments and requests for hearing must be received by November 5, 2018.** If deemed appropriate, the Commission can determine the matter without a hearing.
