Aurora Wind Project, LLC
Aurora Wind Project –
Williams County
Siting Application
Case No. PU-18-352

Dear Mr. Kahl:

On May 5, 2021, the North Dakota Public Service Commission (“Commission”) approved the Tree and Shrub Mitigation Plans filed by Aurora Wind Project, LLC (“Aurora”) in the above-referenced dockets. In its motion, the Commission authorized one year extensions with respect to plan compliance based on 2021 drought conditions. Aurora appreciates the Commission’s forethought in authorizing a one year extension, and provides this letter to inform the Commission that Aurora plans to delay tree and shrub replanting for one year due to the present drought conditions.

If you have any questions, please let me know.

Sincerely,

Mollie M. Smith
