RE: Aurora Wind Project LLC / PU-18-351 and PU-18-352  
OAH File Nos. 20180556 and 20180557

Dear Mr. Hamre:

At the Aurora Wind, LLC, Aurora Wind Project and Transmission Line hearing which was held in accordance with the Notice of Filings and Notice of Consolidated Hearing on February 25, 2019, at Naset Consulting Services, Tioga, North Dakota, Aurora Wind, LLC, testified it would provide an update of the status of the architectural resources mitigation proposal requested by the State Historical Society of North Dakota.

Docket Number 109 provides an update of the status of the architectural resources mitigation proposal requested by the State Historical Society of North Dakota. The update includes a copy of the mitigation proposal submitted by Aurora Wind, LLC, to the State Historical Society and an email response from the State Historical Society confirming that the proposal is acceptable.

The update contained in Docket Number 109 is competent and relevant evidence that the Public Service Commission may use as part of the record in making decisions on the applications. The update is admitted and is marked as Exhibit 34. Enclosed is an updated exhibit list.

Sincerely,

Timothy J. Dawson  
Administrative Law Judge
