**RE: Aurora Wind Project, LLC  
Aurora Wind Project – Williams County  
Siting Application  
Case No. PU-18-352**

Dear Mr. Kahl:

In accordance with Certification Provision No. 3 of the North Dakota Public Service Commission's ("Commission") Order issuing a Certificate of Site Compatibility for the Aurora Wind Project ("Project"), Aurora Wind Project, LLC ("Aurora") hereby files two (2) copies of this letter and a Radio Station Authorization License issued by the Federal Communications Commission ("FCC License"). Electronic copies of this letter and the FCC License were filed with the Commission today via e-mail.

The enclosed FCC License is the final authorization from the FCC Aurora needs to operate the Aircraft Detection Lighting System ("ADLS") communications tower. While Aurora is still in the process of completing installation of the ADLS and will need to test the system following installation, Aurora anticipates that the ADLS will be operational at the time the Project initiates commercial operations.

If you have any questions, please let me know.

Sincerely,

MOLLIE M. SMITH
