Re: Telrite Corporation
Case No. PU-18-353

Dear Ms. Grimshaw:

The North Dakota Public Service Commission Staff has concluded its review of the Company's September 26, 2018 filing of its 2018 subscribers.

I have enclosed a list of 27 subscribers (Attachment A) that are not eligible to participate in the Lifeline Program as they are currently not active in the State's Human Services database as eligible for Medical Assistance or SNAP. Please review your current list of active subscribers and for any of the customers on the attached list that are still active subscribers, please begin immediate action to de-enroll these customers. Note that these subscribers do have a right to contact the Department of Human Services to reapply for these programs. If they are deemed eligible and provide proof to you that they are once again eligible, you can be reinstate them.

Please respond as to the action that the Company has taken in regards to de-enrolling the customers provided on Attachment A by January 26, 2018.

If you have any questions please call me at 701-328-3397 or e-mail me at vschock@nd.gov.

Best regards,

Victor Schock
Public Utility Analyst
