Mr. Schock,

Boomerang Wireless, LLC dba enTouch Wireless (“Boomerang”) received the North Dakota Public Service Commission’s (“PSC”) letter, dated November 30, 2018 (the “November letter”). The November letter instructed Boomerang to review a list of 43 customers that did not pass the North Dakota Human Service database dip. The PSC requested Boomerang review the PSC’s list of 43 subscribers against Boomerang’s active list of subscribers to determine if these 43 are qualified for Lifeline service and if not to remove them from Lifeline service.

Boomerang has reviewed each of the 43 customers. The listed customers will not be on Boomerang’s request for Lifeline funding for December 2018. All 43 customers were provided notice on December 14, 2018, informing them that they have been found to be ineligible for Lifeline service. The letter has instructed them to reapply for Lifeline service or to select a non-Lifeline plan. They will have until January 14, 2019 to take the appropriate action before they are disconnected.

If you have any questions regarding this filing, please contact us at (319) 294-6080 or [regulatory@entouchwireless.com](mailto:regulatory@entouchwireless.com).

Thanks,  
Jodie Grimshaw
