SALE TERMS
Revised October 30, 2003

The following clauses are incorporated with and form part of the contract of sales entered into on the face hereof save where the same may be inconsistent with any express term contained in such contract.

1. **Production.** In the event of production of the commodity herein sold being interfered with or stopped, or falling short due to the failure of supply or through strikes or lockouts or any cause beyond Seller's control, this contract shall be considered cancelled in respect of any non-delivery or part non-delivery, as the case may be, but Seller shall use every reasonable endeavor to supply the full quantities specified.

2. **Taxes and Freight.** Any changes in freight rates, wharfage, handling, terminal charges, and insurance premiums including war risk, as well as any new or additional duties or taxes of whatsoever kind and by whomsoever imposed subsequent to the date of this contract shall be for Buyer's account notwithstanding any retroactive application thereof.

3. **Delays of Shipment.** If for any reason whatsoever Seller is prevented from procuring or shipping the goods within the time hereby specified, it shall be at liberty to ship within thirty days of the expiration of such agreed time. Failing shipment within said extended time, this contract may be cancelled by Seller and in that event, neither party shall have any claim against the other.

4. **Delivery.**

- a. Partial shipments or deliveries are permitted unless otherwise stated herein.
- b. Each shipment or delivery hereunder shall be treated as a separate contract.
- c. If Buyer fails to take delivery promptly the goods will remain at Buyer's risk and expense. Seller may then (but shall not be bound to) take proper steps at Buyer's expense to store, protect and insure the goods in which event Seller acts as Buyer's agent.
- d. If Buyer becomes bankrupt or insolvent, or in default to Seller under this or any other contract, Seller may at its option defer delivery or cancel this contract and may re-sell the goods without prejudice to any claim Seller may have for damages.
- e. If, owing to circumstances beyond Seller's control, a carrier discharges the goods at a port or place other than that named herein, Buyer shall accept delivery at such port or place and where goods are sold to an inland destination it is agreed that inland freight, cartage and other charges have been calculated on the basis of the named port of discharge, and if inland movement must be from any other port or place any difference of inland freight, cartage and other charges are for the account of Buyer.
- f. Seller's failure to deliver or perform in accordance with any installment provided for in this contract shall not constitute a breach as to any other installment as to the entire contract.

5. **Claims.** Seller is not obligated to consider any claims as to quality, condition or weight unless such claim be notified by Buyer within ten days of arrival of the goods at the point named herein. Any liability of Seller shall, in all events, be limited to the value of the goods as established herein. Grain sold "guaranteed cool and sweet on arrival" must be examined immediately upon delivery by Buyer and if found out of condition shall be reported within twenty four (24) hours after arrival; otherwise guarantee is void. When grain arrives out of condition and acceptable settlement cannot be agreed upon, it shall be the Seller's privilege to reshipe within a reasonable time at the Original contract price.

6. **Warranties.** Seller warrants the commodities to be of merchantable quality in accordance with the description on the fact hereof. There is no implied warranty of merchantability or fitness for a particular purpose nor are there any other warranties of any kind expressed or implied, promissory or independently imposed by law, whether based on expressed or tacit representation, descriptions, inspection or other grounds whatsoever, and Buyer expressly waives such warranties.

7. **Force Majeure.** Seller not to be held responsible for delay of shipment, part shipment, or non-shipment resulting from fires, floods, storms hurricanes, earthquakes, droughts, strikes, lockouts or other labor troubles, embargoes, revolutions, insurrections, riots, wars, terrorism, rebellions, disasters, diseases (to humans or animals), accidents, inability to procure materials or reasonable substitutes (or shortage of goods essential to Seller's performance of this contract, its delay by a carrier, inability to procure carriers, breakdown of machinery or failure of any third party to supply Seller with the goods contracted for), failure of power, restrictive governmental laws or regulations, fuel shortage, acts of God or nature, military operations or by any cause not within the control of Seller whether of the class of causes enumerated above or not.

8. **General Conditions.**

- a. Payment terms shall be cash due upon receipt of invoice in stated currency, with all exchange and/or collection charges, if any, paid by Buyer unless otherwise mutually agreed upon. Payment shall be made to Shafer Commodities Inc. at the address specified on our invoice.
- b. Buyer is responsible for any Seller owned or leased equipment and liable for same when on Buyer's private siding. Buyer is subject to current demurrage schedules of delivering carrier when using Seller owned or leased equipment.
- c. Buyer assumes all risk and liability for results obtained by the use of the goods covered by this contract, whether used singularly or in combination with other products. Buyer's remedies under this contract shall be limited to rejection and replacement of or adjustment to defective goods. Buyer's remedies shall in no event exceed the purchase price of the defective goods.
- d. Except as modified or limited by the terms and conditions stated herein, this contract shall be governed by and construed in accordance with the applicable rules and regulations of the exchange, board or association designated on the face hereof, or, if none is designated or if Buyer is not a member of said exchange, board or association, then the applicable provisions of the National Grain and Feed Association shall govern.
- e. This contract is not transferable or assignable by either party hereto without the prior written consent of the other party.

As per your telephone call this afternoon, you state that Hunter refuses to send wire transfers now. That he wishes to send a check. Could you please send the check by COURIER (not mail) as we are having a mail strike up here in Canada PLUS it takes approx. 2 weeks to mail the check from ND to Manitoba. I will pay for the courier charge.

Could you please let me know the check # on the \$144,755.43 and the tracking # on the courier tomorrow.

Subject: Payment of \$167,418.66 owing for peas delivered

Hunter

Could you please call me with your plan to pay for these peas. I understand that you are with your lawyers this am but Midwest has not declared bankruptcy. I understand that you are working with your insurance company to cover the damage that the peas incurred at Rohrville, due to wet conditions. I understand that the peas @ Tunbridge are still in good condition.

If no payment is forthcoming this week, I would like to arrange to come into Tunbridge & load out 23,415.20 bushels of yellow peas to satisfy the non-payment of these invoices.

Please phone with the payment advice or with the arrangements for loading out the peas.

Thank You
