Briefly describe your claim using the space below. Please include any of the following: details of your agreement/contract, grain on storage, grain broker involvement, any additional information you wish to add.

13,000 Bu was sold to midwest grain through East Central Grain Marketing a grain Broker. The wheat was to be picked up off the farm and transported to Midwest Grain. I had done a Basis contract with midwest at the time for \$.38/Bu which later I had to roll into Dec Basis of \$.54/Bu. I was hoping for better futures price which never was set in December due to the ~~crash~~ shutdown of Midwest. So at the current time all I have is a Basis contract and they took money.

Are any offsets owed?  No  Yes, provide amount and detail.
