Re: Public Service Commission v. Hunter Hanson d/b/a Midwest Grain Trading (South Central Judicial District No. 08-2018-CV-03299)

Public Service Commission v. Hunter Hanson d/b/a Nodak Grain (Northeast Judicial District No. 35-2018-CV-00088)

PSC Case No. GE-18-395

The undersigned represents the Public Service Commission, which has been appointed as trustee in regards to the pending insolvencies regarding Hunter Hanson d/b/a Nodak Grain and Hunter Hanson d/b/a Midwest Grain Trading. In the course of our investigation, we have learned that some potential claimants may have received payment or had checks honored after the first claim/default occurred in these cases. Please be advised that we are continuing to review and investigate any such payments, which could result in preferential treatment between the claimants.

However, we wanted to advise that, to the extent any payment has been recovered from Hunter Hanson or one of his entities after November 14, 2018, such payments could be considered a trust asset that we may need to pursue and include in the trust fund for distribution approved by the court. If any payment has been received by you/your clients from Hunter Hanson or one of his entities after November 14, 2018, we request you or your attorney notify the undersigned promptly so we can discuss the circumstances in order to properly evaluate whether the payment is a trust asset. Please further be advised that, regardless of any payment recovered after November 14, 2018, any claim you had as of November 14, 2018, should still be submitted (noting any payment recovered) to ensure consideration in any distribution under the trusts.

Thank you for your attention to this matter.

Respectfully,

 MITCHELL D. ARMSTRONG
 Special Assistant Attorney General for
 Public Service Commission
