Re: Hunter Hanson d/b/a Midwest Grain Trading; PSC Case No. GE-18-395

Dear Sir or Madam,

Enclosed is the Grain Claim Form of East Central Grain Marketing, Inc. in the above referenced matter. Our understanding is that the funds available are likely insufficient to fully compensate all those who have suffered losses. With that understanding, we ask that our claim not be considered unless all of the claims of all of the farmers, elevators, and resellers have been fully paid (meaning that they have received 100% of the amounts they claim).

You may be wondering why we are making this request. The short answer is that we are more concerned with those who lost product than we are with our losses. We thought about simply not submitting a claim, but that may have resulted in an understatement of the collective harm that all have suffered. Our losses are substantial, and we think it important that your records include the information we provided the North Dakota Bureau of Criminal Investigation in its investigation of Mr. Hanson.

Again, please do not consider our claim unless all of the claims of all of the farmers, elevators, and resellers have been fully paid. We understand that the result of our request will likely be that we receive nothing for our claim.

Please contact me at [dan@eastcentralgrain.com](mailto:dan@eastcentralgrain.com) or (952) 476-0127 should you have any questions or need anything further to honor our request.

Sincerely,

**EAST CENTRAL GRAIN MARKETING, INC.**
