**Comments:**

**1. Summary**

- a. Claim was received by the PSC on 2-5-19. Claim was submitted on behalf of Mcclusky Elevator by Justin Hagel of Vogel Law Firm.
- b. Claim was for 126,110 bushels of Hard Red Spring Wheat that had been delivered and unpaid valued at \$763,370.40.
  - i. Claim includes copies of two separate checks (1703, 1747) that were written by Midwest but returned for NSF.
- c. Claim documents submitted include: origin scale tickets, BOL's, destination scale tickets, ECGM trade confirmations, various Midwest contracts, and a form of assembly sheets that showed how Mcclusky applied delivered grain to contracts.

**2. Explanation of differences in claim calculations:**

- a. Mcclusky did not include in their submitted claim scale tickets #174283 and #174334 (Osnabrock FEC – Nekoma).
  - i. Based on all available records no successful payment by Midwest to Mcclusky ever occurred for these scale tickets, and they were included in the PSC's claim calculations.
- b. The protein premium was capped at 16 however at higher proteins Mcclusky calculated a higher protein premium.
- c. Mcclusky's "Sales Settlement Sheet" assemblies calculate the net bushels out to the thousandths place while the PSC's calculations use the net bushels listed on the respective scale tickets, and they list net bushel calculations only out to the hundredths place.

d. PSC's claim calculations reflect using the industry standard of filling the oldest contract (based on delivery period) and filling it evenly and applying any overage to the next oldest contract, repeat.

### 3. Explanation of offsets

- a. Midwest Estimate #165 listed 10 scale tickets for 10,721.42 bushels of spring wheat.
  - i. Grain listed on Estimate was paid for successfully by Midwest check #1659 dated 10-5-18 in the amount of \$57,678.12.
  - ii. Mcclusky included in its claim four of the scale tickets listed on the Estimate:
    - 1. Numbers 174503, 174440, 174470, 174486
  - iii. PSC included the four claimed scale tickets in its calculations however the respective dollar amount paid for these scale tickets was included as an offset to the overall claim amount (\$24,112.70).
- b. Mcclusky noted on Invoice #1508 (form is called "Sales Settlement Sheet") that \$4,661.14 was to be deducted from the total amount due.
  - i. This amount is further substantiated by Mcclusky's A/R Invoice Query sheet dated 11-13-18 that was received by Patrick Hart from Mcclusky staff in support of their claim that Midwest owed Mcclusky for grain delivered.
    - ii. This amount is listed as an offset to the overall claim calculation.
- c. December 27, 2019, McClusky received partial payment in satisfaction of a judgment against Hunter Hanson.
  - i. Execution Return reflects partial satisfaction in the amount of \$76,000
    - 1. \$949.85 – applied toward sheriff's costs
    - 2. \$13,149.02 – applied to interest due
    - 3. \$270.00 – costs
    - 4. Net amount: \$61,631.13
  - ii. \$61,631.13 applied to Trade Confirmation #21652 as this is earliest contract with the earliest delivery date.

### 4. Notes:

- a. There was a total of seven ECGM trade confirmations in this claim.
  - i. Two had credit-sale contracts associated with them
  - ii. Many were priced out in portions, not the whole contract at the same price.
    - 1. The PSC received a contract pricing sheet from ECGM via emailed request for information.
