Dear Mr. Russell,

We reviewed ND SHPO Ref: 18-1105 USFS and ND PSC "Demicks Lake Pipeline: Limited Mitigation for Site 32MZ767 in McKenzie County, North Dakota," and find this Metcalf Archaeological Consultants, Inc. report dated November 2018 acceptable. We concur with your "No Adverse Effect," determination for the anticipated Demicks Lake Pipeline project disturbance to this site, 32MZ767.

Thank you for the opportunity to review this project to date. We look forward to further consultation when survey is complete. Please include the ND SHPO reference number listed above in any further correspondence for this specific project. If you have any questions, contact Paul Picha, Chief Archaeologist at (701)-328-3574 or Susan Quinnell, R & C Coordinator at (701) 328-3576 or squinnell@nd.gov.

Sincerely,
