In re: ONEOK Bakken Pipeline, L.L.C.
Demicks Lake Pipeline Project
Case No. PU-18-399
Our File No. 072591-000007

Dear Mr. Kahl:

Paragraph No. 9, of the Commission's May 1, 2019 Findings of Fact, Conclusions of Law and Order (PU-18-399, Docket No. 57) provides that ONEOK shall obtain necessary permits and file copies with the Commission prior to commencing construction on such portion of the project for which said permit is required. In accordance with Order Paragraph No. 9, enclosed for filing in the above-referenced matter are two copies of Utility Road Crossing Permits issued by McKenzie County.

The enclosed filing contains a total of 89 Utility Road Crossing Permits. Fifteen additional permits remain to be secured for crossings located on federal land. ONEOK is in the process of securing the remaining permits and will file copies with the Commission once they are received.

If you have any questions, please feel free to contact me. Thank you.

Thank you.

Sincerely,

Casey A. Furey
