**Mr. Fahn:**

Enclosed are two copies of the PU-18-399 Construction Report for the ONEOK Demicks Lake Natural Gas Pipeline. The report contains revisions to the previously submitted Construction Report (Wenck, October 2019). The revisions include: changes to page 3-1, 4-1 (signature date), and the headers/footers updated for the current month of November.

Please replace the October Construction Report with this submittal and let us know if you have any questions or concerns.

Sincerely,

A handwritten signature in black ink, appearing to read 'Matt Retka', is written over a light blue circular stamp.
