Late-Filed Exhibit 6 – Verification of Pipeline Depth &
Late-Filed Exhibit 7 – Geological Study Review

With respect to designated Late-Filed Exhibits 6 & 7, completion of these studies is based on the schedules and availability of Belle Fourche's contractors. Therefore, Belle Fourche respectfully requests that the Commission issue a Project order and designate the filing of the above-referenced studies as ordering provisions as provided for in Belle Fourche's Proposed Findings of Fact, Conclusions of Law and Order. Belle Fourche anticipates that these studies will be completed and ready to file within the next 90-days, if not sooner.
