I object to the reclamation plan Westmoreland has proposed on our land sec.  
20-143-88. I have not seen the plan, that is the reason I object at this  
time Thank You Ronald Gunsch

Mr. Gunsch,

In regard to the objection you filed to Revision 32 to Permit KRSB-8603, you reference land owned by you in Section 20 (NW1/4NE1/4 of Section 20), T143N, R88W; however, our records also indicate that you have land interests in the SE1/4 of Section 16, NW1/4 of Section 22, and the E1/2SW1/4 of Section 22, T143N, R88W. We will be providing you a summary of the changes proposed with Revision 32 to Permit KRSB-8603 for your property. Please clarify if you only want us to address the changes to the Section 20 tract or all tracts of land that you have an interest in (4 tracts total).

Please let me know if you have any questions. Thank you.
