Dear Mr. Noel:

The Reclamation Division has completed its technical reviews of Revisions No. 32 and 33 and Renewal No. 7 to Permit KRSB-8603. We need to review the final version of Revision 32 prior to anticipated approval on August 4, 2021. Since the two revisions are basically one working document, please accept all of the proposed Revision 32 changes, but retain the struck-through, underlined and highlighted changes proposed with Revision No. 33, and upload this final version of Revision 32 to Dropbox.

If you have any questions, please contact Guy Welch at 701 328-2298.

Sincerely,

Dean K. Moos  
Director  
Reclamation Division
