**Case No. PU-19-8**

**ORDER ON PROTECTION OF INFORMATION**

**October 2, 2019**

**Preliminary Statement**

On June 7, 2019 Montana-Dakota Utilities Company (MDU), filed an application for protection of information pursuant to North Dakota Administrative Code Section 69-02-09-01 requesting a protective order limiting disclosure of "Trade Secret" information as defined by North Dakota Century Code Section 47-25.1-01(4).

On August 23, 2019, Commission Staff reviewed the request and believes that the application satisfies the requirements required to grant protection of information in this proceeding.

**Discussion**

The information for which MDU seeks protection is a portion of the monthly Cost of Gas filings that contains confidential information on gas commodity pricing including Demand charge monthly delivery quantities, Demand charge amounts excluding FT-1 MDDQ, Commodity Charge monthly delivery quantities excluding the Gas Commodity – System quantity, the Commodity charge quantities, the Fuel transportation rates of WBI, NB and NW as well as fuel storage rates and the Gas Commodity System rate.

The information could have economic value to potential vendors and suppliers who may desire to bid to provide natural gas or natural gas services to MDU. In particular, potential suppliers would know what MDU has determined to be the cost range for certain components of its supply needs and consequently the cost range could potentially serve as a floor, below which no bidder would submit a bid price. Such a result could be harmful for MDU's customers.

The confidentiality of this information has been maintained by MDU. The information is not disclosed to the public or to persons other than employees or authorized agents who need to know the information to fulfill their responsibilities in connection with MDU's natural gas purchases, or to third persons pursuant to nondisclosure agreement to maintain the confidentiality of the information

North Dakota Century Code Section 44-04-18.4(1) authorizes protection of commercial and financial information if the information is privileged; the information has

not been previously publicly disclosed; and disclosure would cause competitive injury to the person providing the information or impair the Commission from obtaining necessary information in the future. N.D.C.C. § 44-04-18.4(2)(a)-(b).

Having reviewed MDU's applications and Commission Staff's recommendation, the Commission has determined that the information satisfies the requirements of North Dakota Century Code for protection of information.

**ORDER**

The Commission orders the June 7, 2019 application of Montana-Dakota Utilities Company for Protection of Information is GRANTED.
