Re: Cost of Gas Adjustment (COG)  
September 2019  
Case No. PU-19-010

Great Plains Natural Gas Co. (Great Plains), a Division of Montana-Dakota Utilities Co., herewith submits an original and two (2) copies of a Cost of Gas Adjustment (COG) pursuant to North Dakota Century Code 49-05-05.

Great Plains will not seek a COG adjustment change for the month of September 2019. The COG Adjustment tariff (Rate 88), Section 2(b) provides that "Great Plains shall file to reflect changes in its average cost of gas supply only when the amount of change in such COG is at least \$0.25 per dk." The COG adjustment for the month of September 2019 results in a change of less than \$0.25 per dk, and therefore, in accordance with the authorized tariff, Great Plains will not seek a COG adjustment change for the month of February.

Please acknowledge receipt by stamping or initialing the duplicate copy of this letter attached hereto and returning the same in the enclosed self-addressed, stamped envelope.

Sincerely,

Tamie A. Aberle  
Director of Regulatory Affairs
