

Ruso Wind Partners, LLC
Ruso Wind Project and Gen-Tie Line Project
Docket Nos. PU-19-28/PU-19-29

Late-Filed Exhibit No. 56 – Update on Status of Class II Architectural Survey and Related Correspondence With the State Historical Society of North Dakota

At the public hearing, a request was made for an update on the status of the Project’s Class II Architectural Survey Report and the related correspondence with the State Historical Society of North Dakota (“SHSND”). Attached as **Late-Filed Exhibit No. 56(a)** is a copy of the finalized Class II Architectural Inventory and Viewshed Analysis Report, which was prepared in coordination with the SHSND. The report has been submitted to the SHSND for formal review and, based on the initial feedback received, Ruso Wind Partners, LLC expects the SHSND will concur with the determination of no adverse effects.
