Interim Executive Secretary  
North Dakota Public Service Commission  
State Capitol  
600 East Boulevard Avenue, Twelfth Floor  
Bismarck, ND 58505-0480

Re: North Dakota Intrastate Access Group  
North Dakota Tariff No. 1

Dear Mr. Kahl:

John Staurulakis, Inc. (“JSI”) files the enclosed tariff material on behalf of North Dakota Intrastate Access Group North Dakota Tariff No. 1 issuing carriers (“issuing carriers”) listed at Appendix A. Proposed revisions are made in compliance with current Federal Communications Commission (“FCC”) rules governing intercarrier compensation. The proposed revisions bear an effective date of July 2, 2019. A copy is provided for each of the four (4) issuing carriers for which revisions are proposed, as well as an electronic copy.

National Exchange Carrier Association (“NECA”) interstate switched access rates are expected to decrease effective July 2, 2019, thereby reducing the capped rates which the issuing carriers must match for terminating access by July 2, 2019.<sup>1</sup> The issuing carriers’ rate tables established in 2012 to provide for the rate transition period through the year 2020 reflect proposed revisions resulting from NECA’s decreased switched access rates. Rates are based on the -0.446 percent interstate switched access rate decrease as announced by NECA on April 3, 2019 (see Exhibit 1). If NECA rates approved by the FCC differ from those proposed in this filing, rates will be adjusted to match the approved NECA rates. Issuing carriers’ interstate terminating switched access rates are contained in NECA Tariff F.C.C. No. 5 which may be found at [https://www.neca.org/Tariff\\_5.aspx](https://www.neca.org/Tariff_5.aspx).

## For your information Switched access rate changes and CAF ICC Data Collection reminder

April 3, 2019

TO: General and pool contacts at TS and SW pool members

### Switched access rate changes

Commission rules require NECA to adjust capped interstate switched access rates, other than terminating end office rates, to reflect pool election changes. Pool election changes for the upcoming tariff year resulted in a -0.446 percent decrease from current rate levels following the methodology specified in 47 CFR §51.909(a)(6). We will adjust switched access rates by this factor for the upcoming tariff year. This decrease was not reflected in the data shown in the CAF ICC website when it opened on March 11 for data entry.

**Adjusted rates will be available in the CAF ICC website on April 10.**

NECA will apply the -0.446 percent rate decrease related to pool election changes to originating end office rates and all transport rate elements. Rates are rounded up to the last significant decimal place for a five or greater and rounded down otherwise.

The proposed terminating end office rate will be \$0.0007 per minute.

In the [CAF ICC website](#) (login required), we will modify the following for test period 2019-2020:

- interstate switched access rate levels,
- intrastate switched access rate levels for those companies with intrastate rates at parity with interstate rates,
- interstate terminating end office access service rates to not exceed \$0.0007 per minute, and
- switched access revenues.

Proposed interstate and intrastate monthly and nonrecurring switched access rates can be viewed in the CAF ICC Data Collection website in the Study Area Intrastate Data section by selecting the Intrastate Revenues (FCC TRP) Output link. Your company's existing local switching and local transport rate band assignments will remain unchanged in the upcoming filing. **Adjusted intrastate rates, both end office and transport, will be available on April 10 and need to be filed with state regulatory commissions.**

### CAF ICC Data Collection reminder

The CAF ICC Data Collection will remain open for data submission until **midnight ET on Monday, April 8**. For access, go to our [website](#) (login required) and select *Member Services>Data Collections>CAF ICC Data Collection*.

If you have questions, please contact your member service manager.

Sincerely,

A handwritten signature in black ink that reads "Jeffrey J Phillips". The signature is written in a cursive, slightly slanted style.

Jeffrey Phillips
